

St. Teresa of Avila Catholic School

YEARLY MILK PROGRAM 2011-2012

The St. Teresa School yearly milk program will start on the first day of the school year in August. We purchase 2% white milk and offer chocolate or flavored milk on Wednesdays and Fridays. The cost for a milk card is \$58.00 for the year (32¢/day). You may also purchase a second card if you would like your child to have milk during the After School Program. All money must be turned in by the second week of school. A card will be made for your child to use for the entire school year.

If your child wants more than one milk, he/she will need to pay for the extra milk on that day. **If you choose not to purchase a milk card, milk will be available daily for 35¢ each.** Please remember that glass beverage containers and carbonated drinks are not allowed.
